13. CITY MANAGER'S REPORT

Mr. Schommer provided updates on various topics as noted:

The Main and Franklin Street Improvements project has had a few revisions to provide a better outcome after reviewing the field conditions upon excavation. The revisions have not affected the timeline, and the project is still on schedule for completion by the end of August.

The annual paving program has begun and includes milling on Little Sugarcreek Road. The surface pavement was heavily deteriorated, and extra milling is being done to make sure no additional weight is added to the foundation of the road. He noted Wilmington Pike will also be milled and resurfaced.

He noted there is a process to address the parking complaints near Sackett Wright Park which would have to include establishing a permitting process. He suggested prior to enduring the cost as
